

Rockchip Solution IP CAMERAS

RL200/RL400/RL800

2MP/4MP/8MP

Human Detection / Face Detection

Human detection / face detection method realizes smart analytics

Intrusion Detection

Up to 4 areas can be drawn

Line Cross Detection

Up to 4 warning lines can be drawn

Wandering Detection

Up to 4 areas can be drawn

Gather Detection

Up to 4 areas can be drawn

Starlight

POE

SD Card Slot
(Optional)

120DB HDR

Audio I/O
(Optional)

Alarm I/O
(Optional)

Built in 4G Storage
(Optional)

RL200WH/RL400WH

2MP/4MP Colorful

Full Color

So Colorful At Night

Human Detection / Face Detection

Human detection / face detection method realizes smart analytics

Intrusion Detection

Up to 4 areas can be drawn

Line Cross Detection

Up to 4 warning lines can be drawn

Wandering Detection

Up to 4 areas can be drawn

Gather Detection

Up to 4 areas can be drawn

White light
Warning

Starlight

POE

SD Card Slot
(Optional)

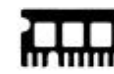

120DB HDR

Audio I/O
(Optional)

Alarm I/O
(Optional)

Built in 4G Storage
(Optional)

5XRL200/5XRL400/5XRL800

2MP-AF / 4MP-AF

5X-AF

2.7-13.5mm

Human Detection / Face Detection

Human detection / face detection method realizes smart analytics

Intrusion Detection

Up to 4 areas can be drawn

Line Cross Detection

Up to 4 warning lines can be drawn

Wandering Detection

Up to 4 areas can be drawn

Gather Detection

Up to 4 areas can be drawn

Starlight

POE

SD Card Slot
(Optional)

120DB HDR
