Customized Language And GUI Menu

Works From Anywhere

Whether you're in the kitchen, or travel around the world, you'll always be able to answer your door from palm of your hand. It even works when your phone is roaming on 3G./4G/5G networks.

Weather Resistant

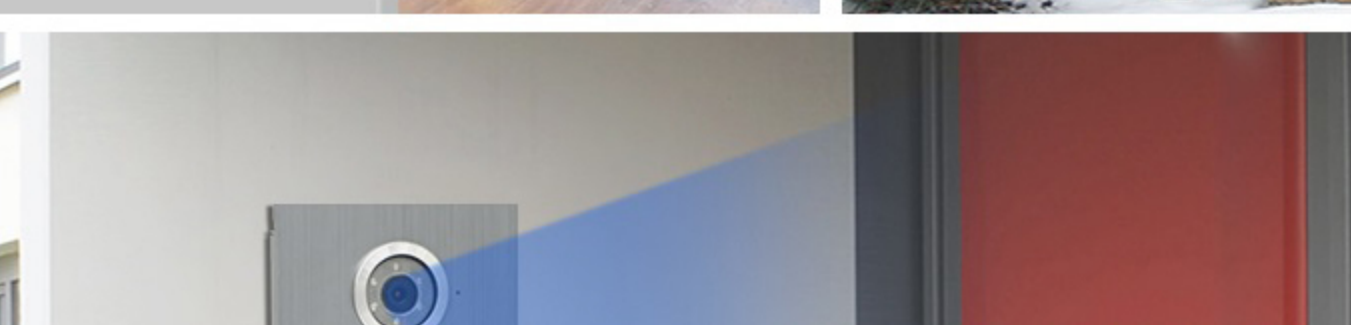

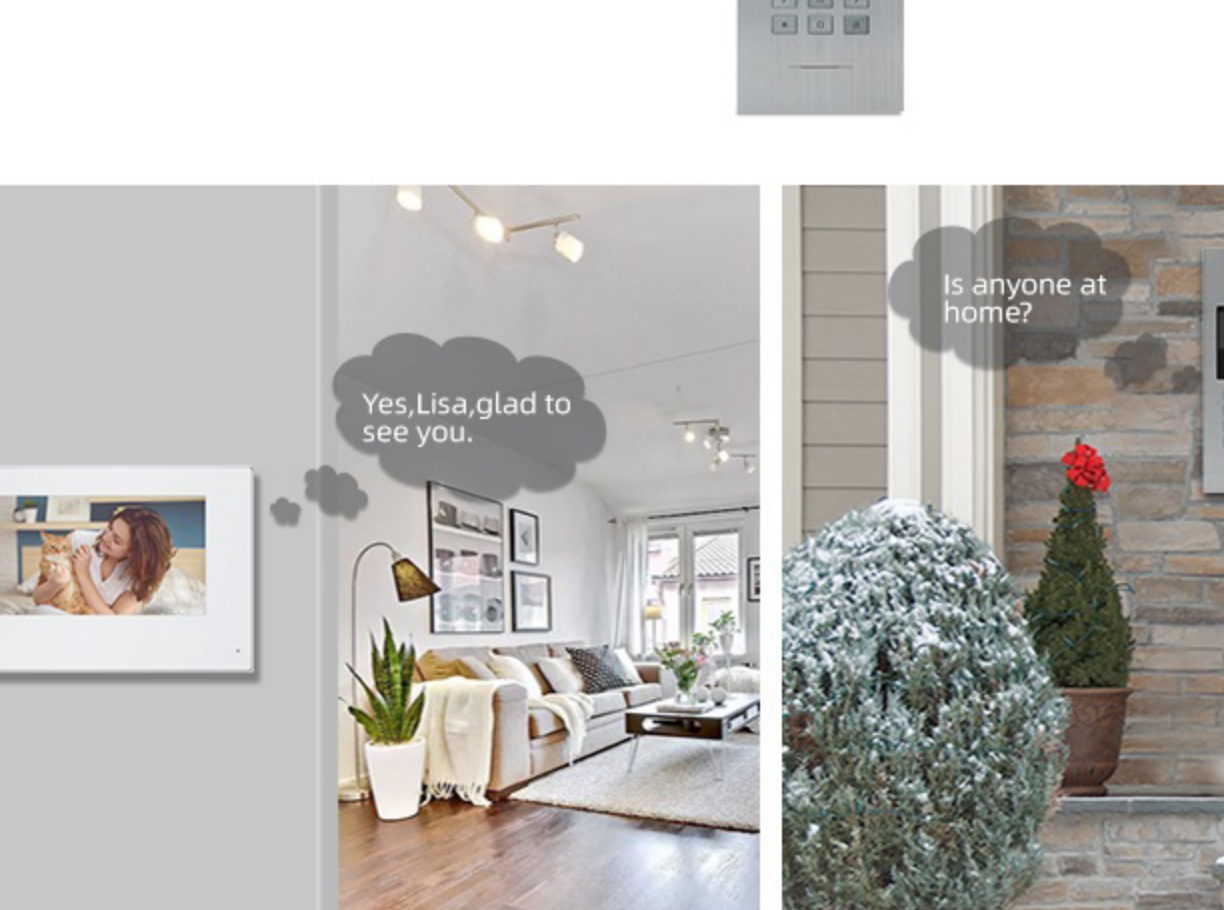

The outdoor camera is equipped with rubber gasket ring. There is no way to leak. It also can work well even in bad weather. Built to withstand humidity rain, sleet, snow, ice and extreme heat.

Support Multiple Devices

Support up to 4 users with smart phones or tablets to be connected to one outdoor station. When you have a visitor, outdoor station will simultaneously ring.

Quick & Easy Install

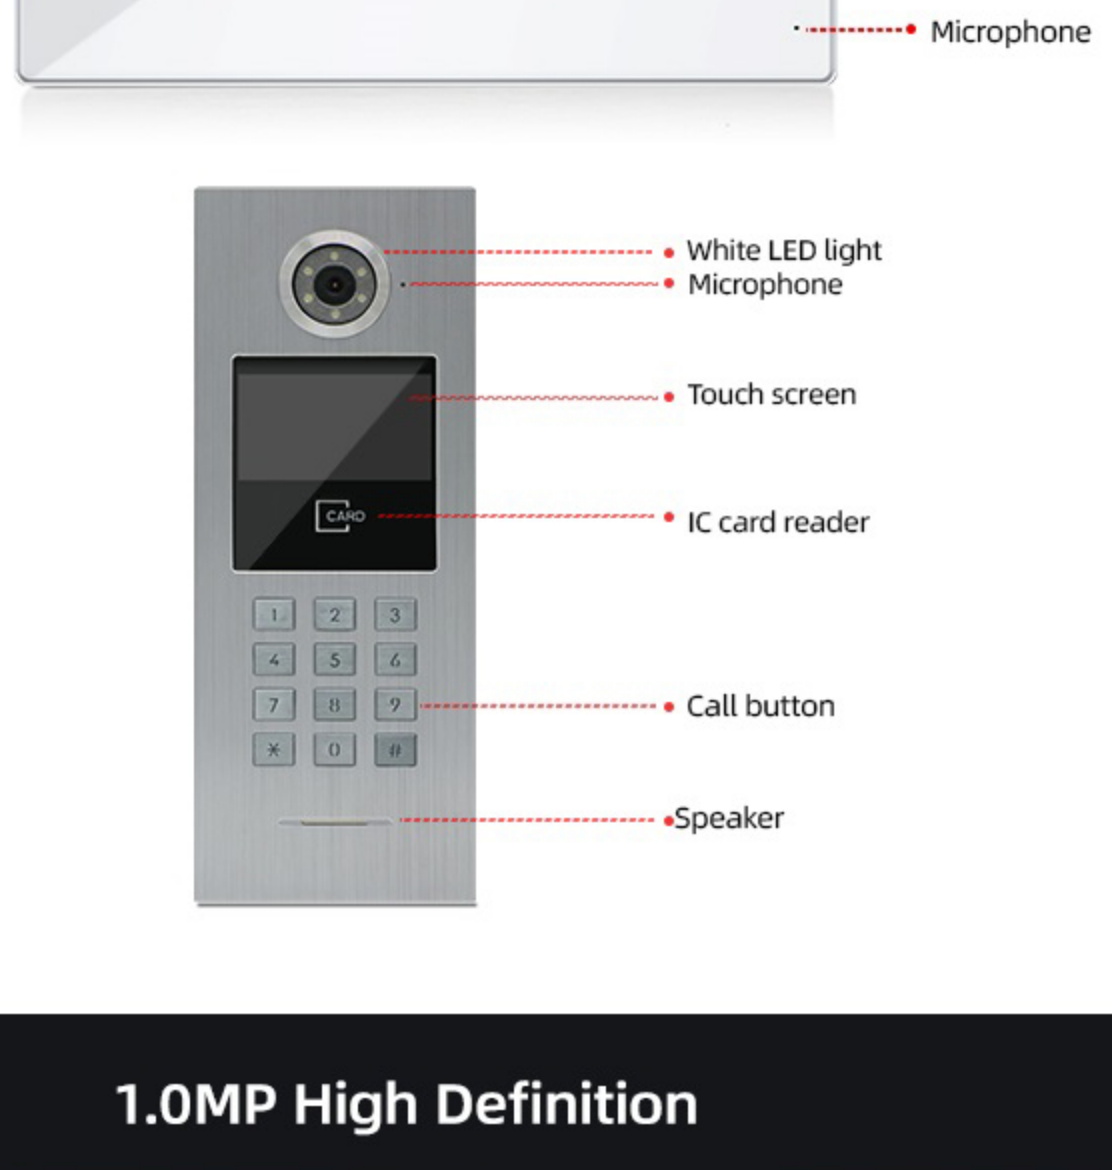

Have your door station mounted in 3 minutes, simply to connect smart phones or tables to your outdoor station within 2 minutes.
